Fees

All fees have remained unchanged from 2014.

The 2015 basic individual and under 25 fees are unchanged at \$140 and \$95 respectively. Fees for additional schedules such as Capital Gains Tax, Rental Property and Depreciation are also unchanged. Financial Planning clients with a portfolio including an Ongoing Service Agreement (OSA) will receive a \$140 rebate on their tax return fee.

Renmark

We have returned to our normal routine this year. Jade is available 9am to 5pm Wednesdays and Thursdays. On alternate Wednesdays Ross attends for Financial Planning queries and reviews.

Financial Planning

We attended the Securitor conference from the 22nd to 24th July 2015 in Canberra. New regulations come into effect on the 1st July 2015 for Ongoing Service Agreements (OSA) to complement the Fee Disclosure Statements introduced on the 1st July 2014.

Belinda and Ross have complied with the new educational licensing and registration requirements of the Australian Securities and Investment Commission (ASIC) and the Tax Practitioners Board (TPB). Both are now registered as Tax (Financial) Advisers and are members of the Association of Financial Advisers (AFA).

Unfortunately, due to cost increases we have restricted the tax return rebate to clients with serviced portfolios.

Practice

We congratulate Monique who is expecting her third child in November! Our 4 mothers will have 10 children between them, we are very family friendly! Incidentally, our grandchildren now total 4 with the birth of Imogen in December 2014.

BusinessClub

Our scheduled fees are unchanged from last year with several packages available. We have received positive feedback from the new website which has been very encouraging.

Referrals

We appreciate your referrals for new business, tax and financial planning clients and endeavour to identify and acknowledge all successful referrals ever where possible.
